

Plans & Benefits

Oscar health plans provide essential benefits for coverage from head to toe. We've even got some pretty neat features and perks that will save you time, money, and a few headaches. All of our plans offer:

Unlimited Doctor Helpline

Just a click and a board certified physician will call you back within an hour. Use it day or night, as often as you want, for free. It's like having a doctor in the family.

Gym Reimbursements

Oscar offers gym reimbursements up to \$400 per member and up to \$200 per covered spouse each year. So go sweat the small stuff on us.

Large Provider & Hospital Network

Oscar has one of the largest provider networks in New York including thousands of the best providers and nearly every hospital in the greater New York area.
